### All are welcome to join.

Some members of the main band learned to play with their children in the Training Band, so we are open to all.

We will try to provide instruments for everyone.  
If you have an instrument, bring it along.

If it needs fixing we'll fix it

### Main Band

We welcome any players interested in joining the main band. We compete in the North West Area Championships in March, having recently won the Fleetwood Contest.
